

thing that I want to call to your attention again. The County people and the county commissioner on the county level have their budget as of January 10th, according to the present law. If we per chance would vote some raises for example for the County Attorney under the present law and they came in after January 10th as they would have to now, then they would not become effective for four more years. I would hope that somebody would give consideration to changing the present law so if you have any interest of a bill of this kind you do something about it. If you do something it will happen and not wait for four more years. This only applies to people on the county level.

PRESIDENT: Back to you Senator Cavanaugh.

SENATOR CAVANAUGH: Did we do anything with 131?

PRESIDENT: No.

CLERK: We advanced 131, yes.

SENATOR CAVANAUGH: OK.

CLERK: 217 and there are no E & R amendments.

SENATOR CAVANAUGH: Mr. President, I move LB217 be advanced to E & R for engrossing.

PRESIDENT: Stand by, Senator Goodrich.

SENATOR GOODRICH: Mr. President, members of the body, Senator Stahmer has an amendment pending to this bill which I don't see Senator Stahmer in here now and I would like to bracket the bill for a week until he can get a chance to present his amendments.

PRESIDENT: Are there any objections to bracketing LB217 on Select File for specific amendment? Hearing none so ordered. The bill is bracketed. 438. Senator Chambers for what purpose do you rise?

SENATOR CHAMBERS: I was distracted Mr. President, what was that on LB217?

PRESIDENT: It was just to bracket it for a week on Select File.

SENATOR CHAMBERS: Is it too late to make a comment on it?

(end belt #4)

(start belt #5)

PRESIDENT: Do you want to object to it?

SENATOR CHAMBERS: Yes.

PRESIDENT: If you want to object it just means that they have to go to a motion to bracket it for a week.

SENATOR CHAMBERS: Right, I object.

PRESIDENT: All right. Senator Goodrich, we lost you on an on 217 and now there is an objection to bracketing 217 on Select File. What do you care to do with the bill?
